Temporary Storage of Incinerator

REF : Memorandum dated 11 March 1961 to Chief, Real Estate & Construction Division, Subject, "Removal of Incinerator from Room 206, West Outbuilding."

1. Reference memorandum requests the removal of an incinerator from West Outbuilding and its storage in the [redacted] Property Turn-In document number 919-27-3117-61 is turned in herewith to place this incinerator in stock in allocation 51.

2. The incinerator will be shipped out at an early date,

However, it should not be packed until destination determination has been made. Should the machine be sent overseas, there will probably be a requirement for changes to 50 cycle current.
